

THE OUTER DIMENSION

GENERAL THOUGHTS

WIZARD OF OZ ANALOGY

Nicholas Bluetooth is Dorothy. She leaves Kansas and ends up in OZ -- he leaves Earth and ends up in THE OUTER DIMENSION.

ALLEGRA ZANE is Toto -- Nicholas best companion from where he came from.

JENS is the Tin Man -- industrious, methodical

EURIPIDES is the SCARECROW -- philosophical, analytical.

NEPOL is the Cowardly Lion -- tough, in-your-face

GORM is the WICKED WITH OF THE WEST. Watching everything in her crystal ball with the flying monkeys hovering. She wants back the ruby slippers -- WHAT DOES GORM WANT.

RIANA is Glinda the Good Witch of the North -- living in a perfect world -- or is she the all powerful WIZARD OF OZ and if she isn't who is?

THE MAP is the Yellow Brick Road -- to follow it is to get home.

Dorothy did follow the yellow brick road to the emerald city but had to accomplish a quest (get the evil witch's broom) to have her wish granted by OZ.

Nick has to follow the map to shift GALIDON back in place so that Riana can put down the evil empire that Gorm is creating.

QUESTIONS

1. Why does Galidon want to come back into the normal dimension if Gorm has laid it all to waste?
 - a. Because Riana cares about her people -- she wants to end their suffering under the rule of Gorm.
 - b. Because Gorm will destroy Galidon if Galidon doesn't destroy Gorm.
 - c. There is a higher cause. Gorm is truly the father of Nick (Star Wars -- Luke and Darth Vader) and Gorm's Quest is to be with Riana again -- who was taken away from her by the human (supposedly Nick's Earthly dad)
2. Why is Gorm evil?
 - a. He was corrupted by something -- someone.
 - b. He's power hungry
